When we look at you, we see you as vast, multidimensional beings. There's just a little bit of you in this body, thinking that you are all of it. Some of you are getting an inkling that's not so. We see you at all dimensions, in the vastness of who you are. From our viewpoint, because you are reading this, you are a Lightworker and you are here with a job to do. You are here to assist in the transition of planet Earth into Light. You've done it countless times before and you are an expert in your field. This book presents you with a model which describes what's going on in this process for this planet... There is a need for this information to go out because the fear level is so very high, especially coming from the physical and mental bodies. If you know what's happening to you and know that it's part of a coherent process, then you feel less crazy.
