This work is an in depth study of the Kocher Method of mantrailing training using intensity level exercises to build a solid foundation for your canine partner. Using a combination of Kevin and Robin Kocher's vast experience in training both trailing dogs and their handlers, this manual of mantrailing was created primarily for law enforcement officers and SAR handlers. Using positive rewards and encouragement, it is geared for creating a more reliable, focused and driven canine partner to follow a specific human scent and quickly establishing the direction of travel.
