### **Book One: The Werewolf Genome**

Brody is a werewolf whose life is perfect until his brother gets into some trouble with the government. Seems someone's out to steal his DNA for a sinister purpose and Brody means to get him back. Serena is a soldier, wary about helping her fellow troops carry on a specific mission: one that involves a seemingly human hostage. What does the government want with the werewolf hostage?

### **Book Two: Fever**

More than one hundred thousand hungry souls sat waiting in the darkness for just a spark, something to quench their insatiable desire for the goddess of flame--that fiery temptress that consumed their senses. She appealed to not only the most carnal desires of lust and love, but also the human desire to aspire for more. She inspired the heart and moved the body. She was the songstress that wove passion through the room with her flowing voice, spinning webs of love's sweet kiss and everlasting touch. She was an enchantress of the highest quality. Georgia Harris was a star.

### **Book Three: Untamed Heart**

Dana Irvine is a wild child that likes to push the envelope when it comes to driving fast cars, jumping off cliffs and just about anything that makes her adrenaline rush. She remembers the one that got away. They had a brief and meaningful encounter that ended with him gone and her with a hickey that lasted forever. She never thought that a man could affect her like that, but he did. It had been six months since Chris had vacated her life, when she started to see changes in the way that she behaved. Where she was into adventure, she now

takes foolhardy risks that makes most people cringe and look the other way.

How will she fare after her friend is found one fateful morning? And how will she deal with becoming the suspect?
