¿Qué es un paradigma?

Es un "modelo" de lo que creemos que es posible.

Y estos modelos, se pueden ir ajustando en base a nuestra experiencia creando una nueva realidad.

En este libro, tengo el honor de presentarte a unos guerreros imparables, que nos comparten sus historias, de fracaso y de éxito también.

No hay éxito sin fracaso y solo existe el fracaso si te rindes.

Hoy, estarás conociendo a unos guerreros, a personas normales como tú y como yo, con una característica especial. **NO SE RINDEN.**

Perseveran, intentan, luchan... ¡¡¡logran!!!

Recuerda bien esta frase:

Perseveran, intentan, luchan... ¡¡¡logran!!!

Es el camino más claro que te puedo recomendar para llegar al éxito que tú quieres.

Si una meta llegó a tu mente, es porque también tienes la capacidad de lograrla. Nada pasa por casualidad, y todo lo que sucede pasa en el momento correcto.

Lee con calma y con tu bebida favorita este libro, y disfruta de historias reales que estoy seguro, te darán inspiración constante cada vez que lo necesites.

Y por último, quiero pedirte que hagamos un acuerdo tú y yo, vamos a acordar que a partir del día de hoy, no importa que tan difícil pueda llegar a ser la meta que te propusiste... ¡no te vas a rendir!
