Illustrates communication's role in human relationships

This title introduces students to interpersonal communication principles and theories through the use of commonplace experiences, such as relationships with roommates, friends and co-workers. The book aims to motivate students to critically think about their own relational communication; it also peaks student interest in social science research.

MySearchLab is a part of the Knapp/Vangelisti/Caughlin program. Research and writing tools, including access to academic journals, help students explore human communication in even greater depth.
