Malcolm Brown

The writings presented in this volume shed tremendous light, both on the character of T. E. Lawrence and the current situation in the Middle East. Despite being written more than seventy years ago, the thoughts of Lawrence of Arabia remain remarkably pertinent. This collection includes Lawrence's wartime reports from the desert, along with later writings in which Lawrence attempts to cope with the consequences of war in the circumstances of peace. Many of the pieces have previously only been issued in limited editions.
