David McKee is known as the progenitor of the McKee family of Noble County, Ohio; however, with our current lifestyles and social terms, Martha, David's wife, may well be included in this status. David died rather suddenly in 1815, leaving Martha to raise and oversee their family as they continued to live in the wilderness. David and Martha were together for twenty-eight years. They had seven sons and two daughters, who went on to prosper in the local community. Several McKee descendants continue to live in Noble County today. They too follow the same family values that David and Martha instilled in their sons and daughters. They were a pioneer settler family, who were of the front line of defense against the native Indians as trouble took place.
