♥?This is a stand-alone romance!♥?

All my friends are Ivy-league-bound with four-year plans and guys they legitimately love. Me? Not even close.

While everyone I know has their life mapped out, I'm left behind. Floundering with a boyfriend I only sorta like.

The only person who seems to notice is Avery... unfortunately, he's a Player with a capital P.

Oh, he's also my boyfriend's best friend. I've fallen for the wrong guy before...and don't want to get hurt again. He's just so hard to resist when our gravitational pull feels so right.

I'm getting sucked into a black hole, and I don't know if love is what I'll find on the other side.

Sarah Luis:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just small students that has reading's spirit or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Bela and the Black Hole (A Love and Star Stuff Story Book 3) can make you sense more interested to read.
