## **Despertando el Ser para el Hacer (Spanish Edition)** Pilar Ospina Lara

La respuesta a nuestros problemas está dentro de nosotros mismos. Este libro es un ejemplo de la búsqueda interior que tuvieron las autoras para llegar a sus propias soluciones. A través de sus anécdotas nos recomiendan el Coaching y la Programación Neurolingüística (PNL) como alternativas poderosas de vida, cuyas herramientas están presentes en nuestro diario vivir, pero muchas veces pasamos por alto su efectividad o existencia. Este libro nos demuestra que las personas estamos en constante cambio y podemos apropiarnos de este proceso, por medio del gerenciamiento de nosotros mismos. Esta obra también es un manual que invita a los lectores a ser los arquitectos de su propia vida, con un método de lectura ameno que permita incorporar en nuestra mente algunos aspectos que harán de nosotros seres extraordinarios.
