Smart Love: The Compassionate Alternative to Discipline That Will Make You a Better Parent and Your Child a Better Person Martha Heineman Pieper, William J. Pieper

Smart Love is a caring and patient approach to parenting created and tested by the husband-and-wife team of Dr. Martha Heineman Pieper and Dr. William J. Pieper. It replaces the old rewards-and-punishments style of parenting as behavior modification which turns parents into disciplinarians, which they don't want to be, and which treats children as miniature adults, which they aren't. Smart Love enables parents to understand the world through the eyes of their child at each stage of development. To Smart Love is to cultivate children's inner happiness while managing their behavior in age-appropriate ways, which ensures that children will grow up well behaved, responsible, self-confident, and able to reach their full potentials.
