**El Tono Universal [The Universal Tone]: Mi Historia en la Luz [My History in the Light]** Carlos Santana, Ashley Kahn

En 1967 en el Auditorio Fillmore de San Francisco, un joven guitarrista tocaba un solo arrasador que anunciaba la llegada de un prodigioso talento. Dos años después tocaba una histórica función en Woodstock, y el mundo conoció a Carlos Santana.

El Tono Universal es una atrapante historia sobre la autodeterminación musical y el autodescubrimiento. Describe la trayectoria de Santana desde los primeros días de su adolescencia como músico en Tijuana y el nacimiento de su característico sonido de guitarra; su papel como esposo, padre y estrella del rock; y la grabación de algunos de los álbumes de rock más influyentes de la historia. El Tono Universal abunda en una intrepidez musical que encuentra humor en el mundo de la fama de alto vuelo, habla llanamente de las revelaciones personales y celebra la posibilidad divina e infinita que Santana ve en cada persona que conoce.
