Dragon Shifter Kintaro was a wealthy playboy who just wanted easy sex. When he was matched with a cute girl called Rachel it seemed like they would both get exactly what they wanted and then they would never have to see each other again.

However, after the condom breaks and Rachel finds herself pregnant everything changes.

Drastically.

Where Kintaro comes from it is forbidden to impregnate a woman outside of marriage with **DEATH** being the punishment. For both of them.

Now, Rachel has no choice but to be a reluctant bride and marry a man she hardly knows, but this is soon going to be the least of her problems...
