This is the very best secrets of wealth accumulation, human potential, personal finance, and peak performance put together, in one easy to digest book- broken into 7 chapters, each averaging no more than 4 pages.

I have purposefully condensed the material, so you don't have any fillers, and fluff. It's all meat.

Here's what you will learn. If you are brave learn everything in one sitting. That is great.

It is advisable to go, one day at a time for 7 days.

Day 1= The most important asset you have(Hint: It is not what you think!)

Day 2= Why the number ' zero ' will be your best friend to turbo charge your financial destiny.

Day 3=What you will have to know about goal setting, and how the SMART goals have failed you miserably!(And of course how you can overcome this right NOW!)

Day 4=How does multi-tasking work? Is it a Myth? You will have the answer.

Day 5=Why this is never discussed by media and the politicians. What steps you can take to safeguard your financial and career future as a knowledgeable citizen. You will be shocked to learn this.I promise.

Day 6=How to get things done fast and NOW. This knowledge will help you with your wealth goals, health goals, and relationship goals.

Day 7= One secret no one ever taught you in a way that it sticks in your brain forever. Just knowing this

simple principle will give you enormous confidence, emotional well-being, and supercharge you with immediate results. You will live your life to your true potential, easily and effortlessly.

FULL DISCLOSURE:

*****THIS BOOK IS NOT FOR THE FAINT OF HEART*****

Everything described here is my personal opinion. You are responsible for your own success. Your results may vary. You may not get any results at all.

Your experience, background, and action steps will determine the nature of your results. Results are not typical.

Please consult a professional/licensed/authorized/certified personnel approved by your State or Country, for any type of financial, legal, health, and relationship consultations.

What I have simply done is analyzed my years of research, readings(Over hundred books on wealth, health, success, and personal development),attending seminars around the country on wealth management, how to make money, personal development and meetings and interviews with experts. Then I condensed them to life's 25 success rules. Then I picked the top seven , which are most relevant in the coming years to solve wealth, health, and relationships problems we face as a society.

I look forward to serve you.

Thank you. I appreciate you.
