The four of them are looking for love, but love usually comes when you stop searching.

Samantha hasn't given up on love but she has gotten fed up with the bullshit. She decided after being in one failed relationship after another, to hang a Closed sign on her black pussy cat until real love comes knocking. After two long years of celibacy, her hormones are raging, her body responds to anything sexual, and her mind won't allow her to make sensible decisions.

Let Angel take your mind on a journey once more and see how Samantha reacts to her uninvited guest.
