## NEW MyPsych Lab without Pearson eText -- Standalone Access Card -- for Abnormal Psychology (16th Edition) James N. Butcher

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

***The most authoritative and comprehensive text in Abnormal Psychology, now with DSM-5 coverage throughout.***

The esteemed author team of Jim Butcher, Jill Hooley, and Sue Mineka offers students the most thoroughly researched, engaging, and up-to-date explanation of psychopathology, creating a learning experience that provokes thought and increases awareness. By adopting a comprehensive bio-psycho-social perspective, this text takes students to levels of understanding that other books do not offer.

The 16<sup>th</sup> edition of *Abnormal Psychology* reflects the revision of the Diagnostic and Statistical Manual (DSM-5). Hundreds of new references have been added to reflect the ever-changing field of abnormal psychology.

MyPsychLab is an integral part of the Butcher / Mineka / Hooley program. Key learning applications include MyPsychLab video series with new virtual case studies.

### **Teaching & Learning Experience**

- ***Personalize Learning*** - MyPsychLab is an online homework, tutorial, and assessment program. It helps

students prepare for class and instructor gauge individual and class performance.

- **Explore Research** – The authors present their diverse research interests in an exciting way that provokes thought and increase awareness.
- **Improve Critical Thinking** – Review questions at the end of major sections within the chapters provide opportunities for self-assessment and reinforce learning.
- **Engage Students** – Most chapters begin with a Case Study to engage students' attention right from the outset.
- **Support Instructors** – A full set of supplements, including MyPsychLab, provides instructors with all the resources and support they need.

**Note:** MyPsychLab does not come automatically packaged with this text. To purchase MyPsychLab, please visit: [www.mypsychlab.com](http://www.mypsychlab.com) or you can purchase a ValuePack of the text + NEW MyPsychLab: ValuePack ISBN-10: 0205965091 / ValuePack ISBN-13: 9780205965090
