# Sea and Sardinia (Classic, 20th-Century, Penguin)

*D. H. Lawrence*

**Sea and Sardinia (Classic, 20th-Century, Penguin)** D. H. Lawrence

**An intriguing account of Sicilian life that reveals as much about the writer as the place, people, and customs it describes**

Written after the First World War when he was living in Sicily, *Sea and Sardinia* records Lawrence's journey to Sardinia and back in January 1921. It reveals his delighted response to a new landscape and people and his uncanny ability to transmute the spirit of place into literary art. Like his other travel writings the book is also a shrewd inquiry into the political and social values of an era which saw the rise of communism and fascism. This edition restores censored passages and corrects corrupt textual readings to reveal the book Lawrence himself called "a marvel of veracity."

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
