## **Rats, Rats!**

Here I am, a self-respecting kitten just trying to survive in a real rat-eat-cat world, when the humans in my life start acting crazy. Something about the kids, the grandkids, coming to visit for Christmas. I would have run away if I had known what that meant! Mama accusing me of tearing up the presents. Noisy voices and grabby little hands. I tell you, it's a dog's world. Bite my tongue! If the grandkids are bad, they're nothing compared to the gift the kids gave Mama for Christmas. . .a puppy!

Dumb furball. Everybody is cooing over this yappy puppy who only wants to play. Why can't he settle down like me? We're both in the doghouse now. So I got him in trouble for tearing up the kitchen. Big deal. Problem is, I feel responsible. This puppy's headed for T\*R\*O\*U\*B\*L\*E. How can I save him? I can't even save myself!
