Carina Conte has had a crush on her brother Michael's best friend, Max Gray, since she was a teenager back home in Italy. Now she's earned her MBA and come to work at Michael's new venture, America's fastest-growing bakery empire. But some things never change: her overprotective family still treats her like a child. With three drop-dead gorgeous siblings, she's still the ugly duckling of the bunch. And Max, the company's new CEO, still barely notices her.

Max knows Carina Conte is strictly off-limits, for the sake of his job *and* his friendship with Michael. But hot-blooded lust wins out at a conference when the two share a scorching one-night stand—and are busted by her mother! Now, forced by old-world Italian tradition into a marriage he's not ready for, Max is miserable—and Carina is furious. Her new husband is about to realize that hell hath no fury like a woman transformed. . . .
