The Poems (Penguin Classics) Catullus

One of the most versatile of Roman poets, Catullus wrote verse of an almost unparalleled diversity and stylistic agility, from the brevity of the epigram to the sustained elegance of the elegy. This collection contains all of Catullus' extant work and includes his lyrics to the notorious Clodia Metelli - married, seductive and corrupt - charting the course from rapturous delight in a new affair to the torment of love gone sour; poems to his young friend Iuventius; and longer verse, such as the extraordinary tale of Attis, a Greek youth who castrates himself in a fit of religious ecstasy. Ranging from the tender, moving and passionate to the vicious and even obscene, these are poems of astonishingly modern force and content.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
