Slavery was her refuge...now it's time to fly free.

Navajo woodworker Bryan Lapahie can't believe his luck. He's been hired to create sculptures for a wealthy photographer's wildly opulent mansion. Once inside, he finds his new boss is a man of many possessions—and an appetite for BDSM so extreme it makes Bryan's own Dominant tendencies look tame. Of the four submissives enslaved at the mansion, it is quiet Butterfly who captures his interest. Her vulnerable beauty stirs his fantasies...and awakens his protective instincts.

Butterfly wanted only two things: to feel protected, and to satisfy her craving for hardcore kink. She found both...with the wrong guy. She'd almost forgotten how to be a normal person until a man with flowing dark hair enters the mansion. Suddenly, her safe haven is looking more and more like a prison, and all she can think about is breaking free—with Bryan.

To rescue her, Bryan is more than willing to lay everything on the line. But simply walking away isn't as easy as it seems...

Warning: Extreme masochistic tortures and degradation as well as joyful BDSM acts between loving partners.
