#### **Ismael Soliz:**

Reading a reserve tends to be new life style on this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world can easily share their idea. Books can also inspire a lot of people. Plenty of author can inspire their reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their proficiency in writing, they also doing some research before they write with their book. One of them is this Gasket: Design, Selection, And Testing.

#### **Marivel Tye:**

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Gasket: Design, Selection, And Testing can make you truly feel more interested to read.
