**Making Life a Masterpiece. (Mcallister Editions)** Orison Swett Marden

In MAKING LIFE A MASTERPIECE , Marden teaches us to unlock our possibilities, look for opportunities, and find our place in life, without letting failures stand in our way. Failures are nothing but stepping stones to be learned from on the path towards greater achievements. “Many a man has finally succeeded only because he has failed after repeated efforts. If he had never met defeat he would never have known great victory!” says Marden.
