The information you need to invest in emerging markets, in one *Little Book*

The world's economies are in a state of flux. The traditional dominance of the G7 countries is being challenged by emerging market nations like Brazil and India, and while investment opportunities in these countries abound, the risks can be extremely high. In this *Little Book*, Mark Mobius, an internationally-renowned expert on emerging market funds, explains the ins and outs of emerging market investment, providing practical guidance on picking industries and companies likely to win, and explaining why policies and regulations matter as much as balance sheets, how to recognize global contenders, techniques for managing risk, and how to get out at the right time.

The emerging markets are expected to be a key driver of future global economic growth, and with *The Little Book of Emerging Markets* in hand, you have everything you need to take full advantage of these incredible opportunities.

- Explains how to pick the industries and companies mostly likely to boom, why policies and regulation are key to making intelligent investment decisions, how to recognize genuine opportunities, and much more
- Includes invaluable techniques for managing your risk
- Shows you how to get your money in and out of emerging markets without being burned

The Little Book of Emerging Markets is the perfect little guide to the world's most exciting investment opportunities.
